VanDerBrink Auctions is pleased to bring you the Born Family Collection Auction. This collection spans 3 generations of collecting. In the auction business, you get to meet wonderful people. Doug Born was one of our bidders that I grew to have as a friend and consultant on early Fords. Doug, his dad, and his Kids were fixtures at our auctions when we had early Ford Car and parts. Doug Born passed away and his children decided to sell a portion of the family's private collection. There are approx. 300 Classic Cars, Pickups, Panels, and even Vintage Signs. This auction will be live onsite and online. We encourage bidders to be in person for the auction as cell phones can be sketchy, at times, and we don't want you to miss out on these great classics.

There is something for everyone from Restored Classics to great Projects for Restore, Projects and Parts. We will see you in Colorado for this fabulous Auction!
